

Get Active in Greater Sudbury

► Beaches and Lakes

With more than 330 lakes, Greater Sudbury is proudly known as the City of Lakes. Our lakes are a year-round source of recreation and home to a number of public beaches. Lifeguards are on duty seven days a week, from 11 a.m. to 7 p.m. from mid-June to late August. Children should always be accompanied by an adult and always within arm's reach.

► Trails – Walking, Hiking, Biking and More

Greater Sudbury is a year-round nature-lover's paradise. Explore the conservation area and immerse yourself in the beauty of the Canadian Shield and our boreal forests. If you are looking for adventure, amazing scenery and a good workout – check out our many hiking and cross country skiing trails throughout the community.

For more information on hiking trails, trail maps and guided hikes, visit rainbowroutes.com. Most recreational trails are maintained from May 1 to October 31.
