

I KNOW BEFORE I THROW TO BE AN ECO HERO

PLEDGE

- I will always use the right bin.
- I will look at the bin posters, ask an adult or friend, or check Waste Wise if I'm not sure which bin to put an item in.
- I will remind and help others to use the right bin, at school or at home.
- I will rinse or wipe my recyclable containers before putting them in the Blue Box, so I don't turn recyclables into garbage.
- I will never put food/drinks, crinkly plastic wrappers, paper towels or paper plates in the Blue Box.
- I will only put food waste and non-recyclable paper items in the Green Cart.
- I will always remember the 3Rs to reduce, reuse and recycle; in that order.
- I will find more opportunities to be eco-friendly and manage waste right.
- I will not litter.
- I will help keep my school, community and planet healthy & clean.
