## HUMAN RESOURCES \& ORG. DEVELOPMENT

The Human Resources and Organizational Development (HR \& OD) department provides value through support and service work on a number of HR Systems. These systems are aimed at providing a great employee experience, a great citizen experience and great numbers such as performance vs. budget, safety and citizen services. These system elements are key determinants of the employee experience which is a primary driver of the citizen experiences produced by CGS staff. Each day, HR \& OD professionals provide support and services which balance the needs of employees and the business needs of the Municipality.

These HR systems include:
Health and safety, talent development, human resources planning and succession management, payroll benefits and rehabilitation, recruitment and selection, performance management, compensation and reward, labour relations, and employee wellness.

The total HR \& OD budget is allocated to operating departments through an internal recovery charge in accordance with OMBI methodology.

In accordance with the Reserve and Reserve Fund By-Law, any net under expenditure in the Pensioners operating budget may be contributed to the Post Employment Benefit Reserve provided the overall financial position of the municipality is also in a net surplus position.
